What keeps them up at night?

What would they be coming to you for?

Other questions to consider

- If you could wave a magic wand, and give them exactly what they most WANT (note I did not say 'most need'), what would that be?
- And what is the MAIN result they can expect to achieve when they work with you or buy your stuff?

Mindset Strategies

Listen in and write out a few affirmations that apply to your particular situation. Repeat them so frequently that they replace any false thinking that has found a home in your head.
